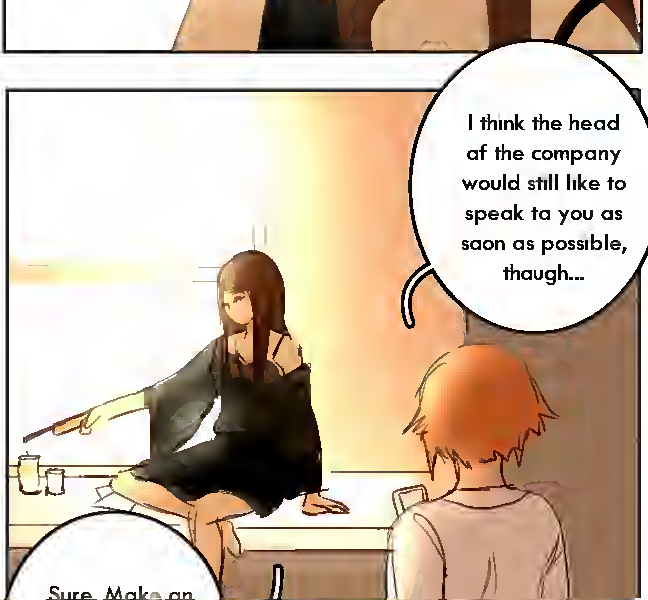
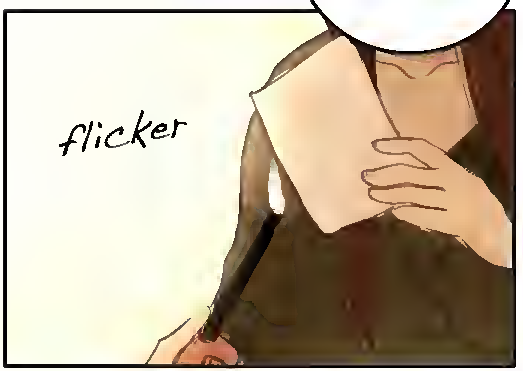
Miss Sayo,
I called the agency
in regards of your
resignation.



I think the head af the company would still like to speak ta you as saon as possible, thaugh...
Sure. Make an

appointment. Tell them whatever.

It doesn't matter.
Let me savor my short victory for the moment.



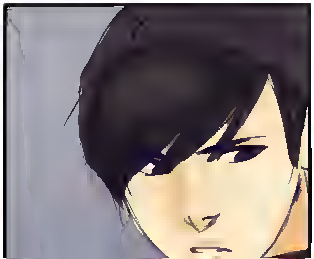
flicker

Have I wounded your heart even the slightest bit, Landon?

TUG

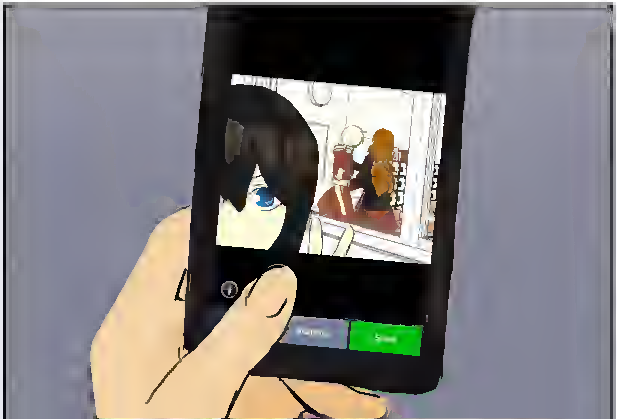
There's still
o lot of people
out, but the
otmosphere
seems to have
colmed down.

Should I even attempt to go out there...?



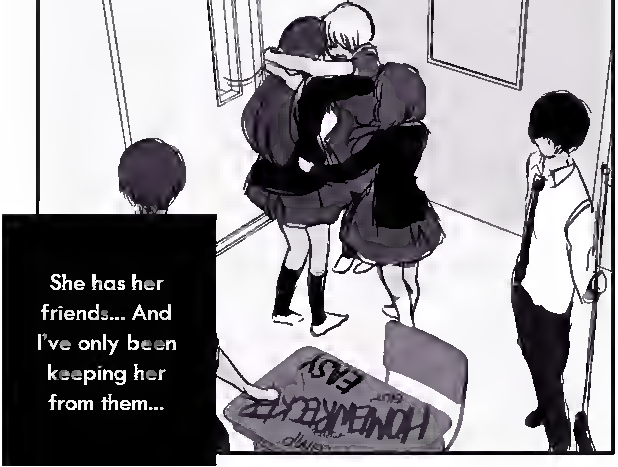
BEEP
BEEP

"Hey, Killjay! It's Mari. I just found your princess and it looks like the SC has everything under control! Lemme send a pic~"



A sense of relief
woshed over me,
but for some reoson
my heort sunk with it.

It dawned on me that perhaps ....
I needed her a lot more than she needed me.



She has her friends... And I've only been keeping her from them...
HOMEMADE
EASY

For the first time, in a very long time...

I was alone again.

Landon is quitting soccer?

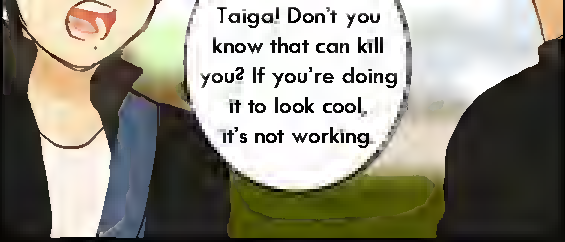
I think last year he quit the baseball team after a few weeks. I'm nat really surprised
He's not a bad player though, daes he have an issue with the team?
Then again... He never really

tolked to anyone.
He kindo seems
a little stuck up,
to be honest.
I thought we
were pretty nice to
him... Moybe he
thinks he's too
good for us.
Pshh...Whotever.

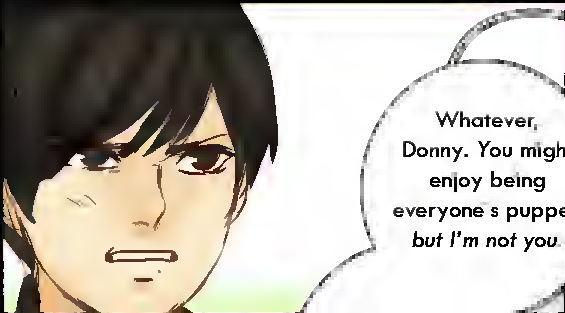
Since when did you start *smoking*?

Shut up and mind your own business, Donny.

I'm serious,



Taiga! Don't you know that can kill you? If you're doing it to look cool, it's not working.



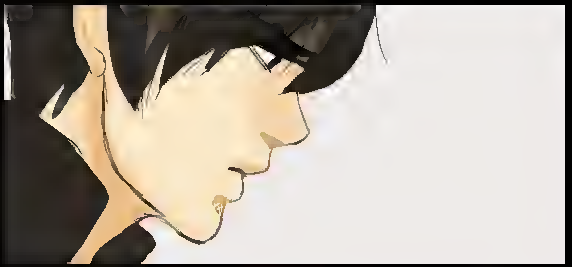
Whatever, Donny. You might enjoy being everyone s puppet, but I'm not you.

Go back to doing what you're told to do. You're good at that, aren't you?

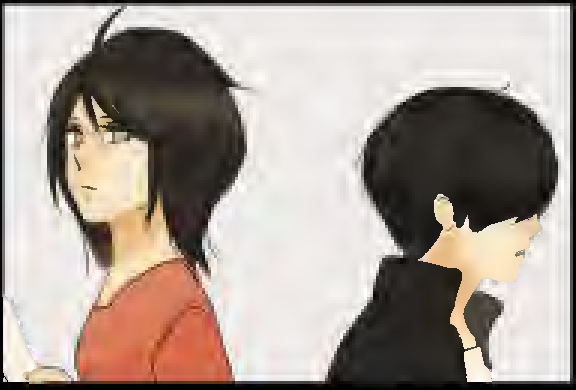
SL

AM!
Landon? You're home already? I thought you had soccer practice--
I quit today.

I'm tired of it.



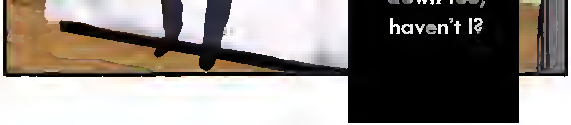
I'm tired of people telling me who I am...



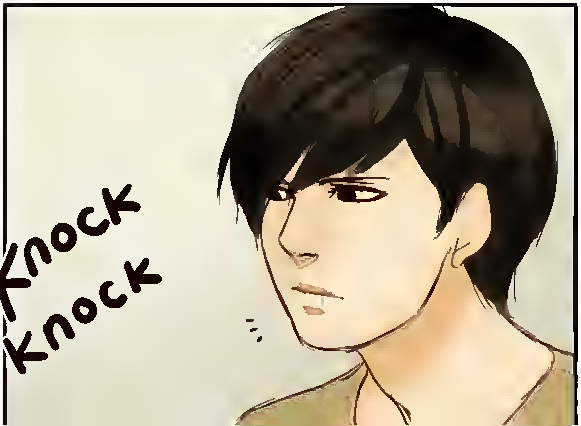
...Of all the disappointed stares they give me
no matter what I do.

And even now...

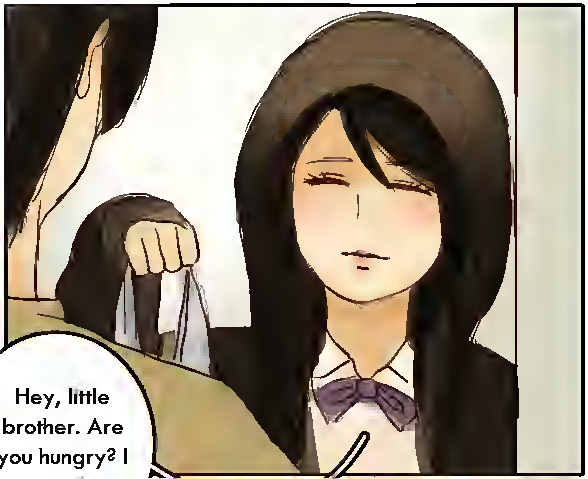
I've let you
down too



haven't I?

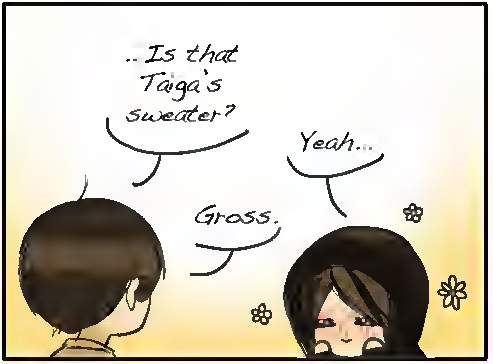


Knock
Knock



Hey, little brother. Are you hungry? I

got our fave.



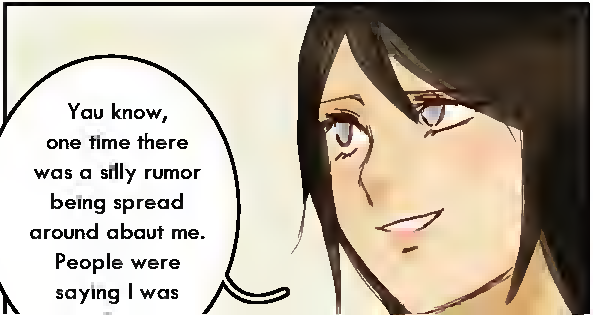
...So how did

your interview go?

Smoother than I expected. Everything worked out in the end.

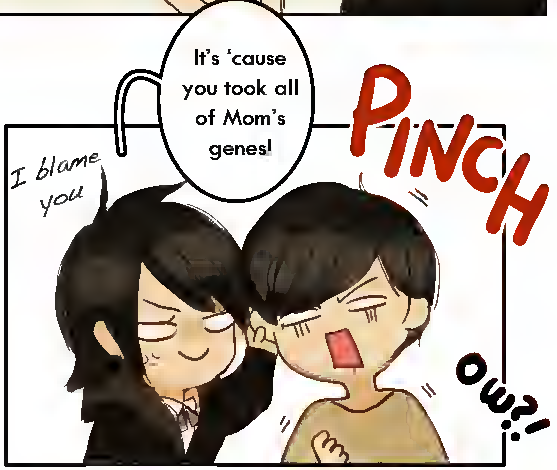
...
Are Mom and Dad furious?

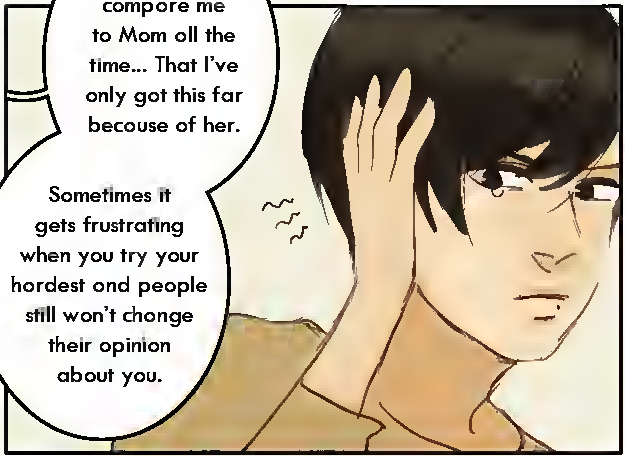
I managed to calm them down. They understand the situation.



Yau know, one time there was a silly rumor being spread around abaut me. People were saying I was

a boy.





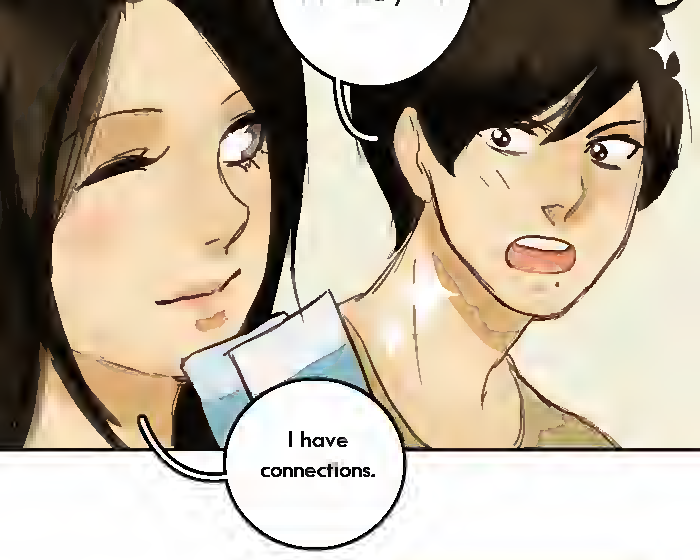
People compore me to Mom oll the time... That I've only got this far becouse of her.
Sometimes it gets frustrating when you try your hordest ond people still won't chonge their opinion about you.

I guess it's inevitable, but I want you to know you're not alone, Landon.
And neither is it your fault.

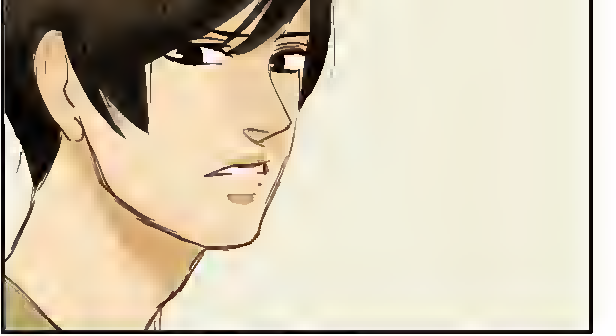
When I went through similar situations, I wished I could just get away; somewhere far from everything.

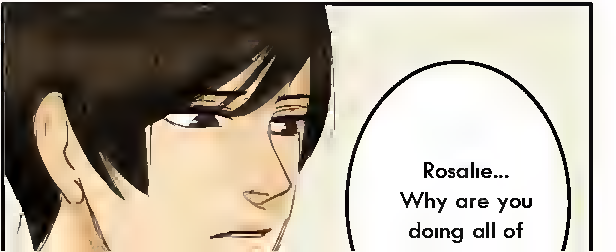
Which is why... I think you could use a break!
rummage
Ta-da! Two passes to the Astron-con!

It's coming up next weekend, and you've always wanted to go, right?
They're yours! Take someone special with you!
I-- I thought those sold out? How did you...



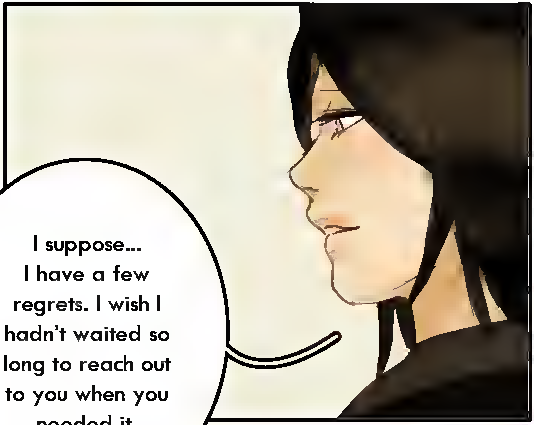
I have connections.





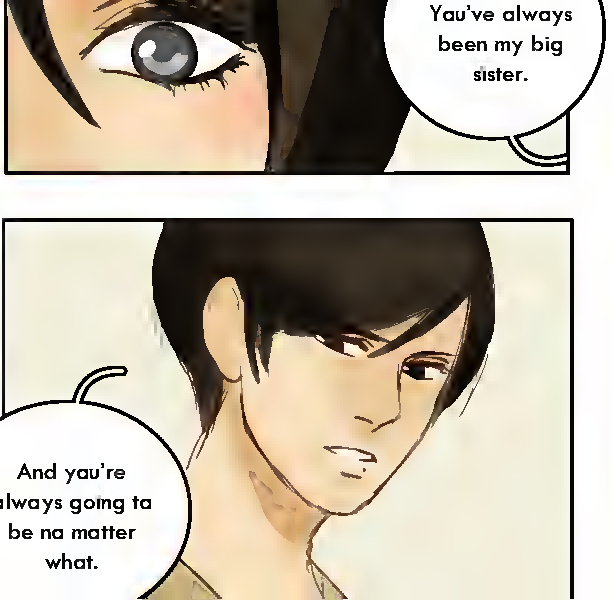
Rosalie...
Why are you
doing all of

this?

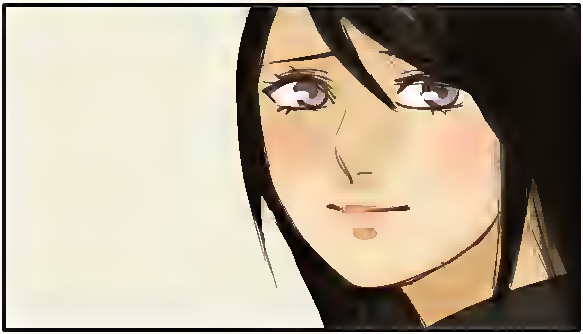


I suppose...
I have a few regrets. I wish I hadn't waited so long to reach out to you when you needed it.

Sometimes I wonder...
When did I ever stop being a big sister to you?
...

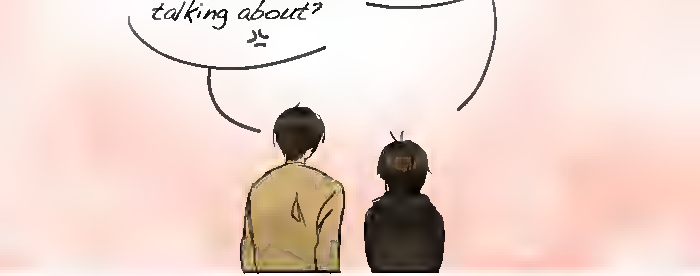


You've always been my big sister.
And you're always going ta be na matter what.



You've really grown up. Huh, Landon?

What are you



talking about?
